FATHER DID NOT BELIEVE THAT CANCER CELLS WERE GROWING IN HIS STOMACH.
... HOWEVER, I DIDN'T HAVE THE COURAGE TO TELL HIM THE SADNESS AND DESPAIR THAT WOULD BE APPROACHING HIM AND OUR FAMILY IN 2 YEARS TIME.
HE WOULDN'T BELIEVE THE WORD OF HIGHSCHOOLER ANYWAY.
THUS, I MADE A DIAGNOSIS RESERVATION WITH THE DIRECTOR OF CANCER TREATMENT IN THE UNIVERSITY HOSPITAL OF KOREA, PROFESSOR CHOI DAEWON.

THE DAY OF RESERVATION APPROACHED QUICKLY AND MY FAMILY HURRIEDLY MADE OUR WAY TO THE HOSPITAL.
DON'T WORRY TOO MUCH, MOTHER.
RIGHT, THANKS TO YOU.
WE FOUND THE CANCER IN YOUR FATHER'S STOMACH SO EARLY...
HUH? THAT...?
A SPORTS SEDAN FROM B BRAND? THAT'S LEE SANGMIN'S CAR.
HA
HA
HA
HE DROVE AROUND A RED SPORTS SEDAN EVEN AS A HIGHSCHOOLER...
MAYBE IT'S JUST A SIMILAR CAR? THERE IS NO REASON FOR THAT PRICK TO BE HERE...
WE MADE A RESERVATION UNDER THE NAME KIM SANGMIN...
YES, KIM SANGMIN-NIM. WE HAVE YOUR RESERVATION HERE.
THERE ARE LOTS OF PATIENTS.

J-JINHYUN, IT WILL BE OKAY, RIGHT?
YOUR FATHER... IT'S CANCER...
YOU BELIEVE THAT WHACK DOCTOR? IT'S NOT CONFIRMED, SO STOP BEING SO PARANOID.
PUT YOURSELF IN MY SHOES, AND YOU WILL UNDERS-TAND.
KIM SANGMIN-NIM, PLEASE COME TO THE DOCTOR'S OFFICE.
NOW NOW, LET'S GET IN. I AM TELLING YOU IT'S NOT MUCH.
DOCTOR'S OFFICE
WELCOME, KIM SANGMIN-NIM.
YOU ARE HERE DUE TO A CASE OF CANCER FOUND IN YOUR GASTROSCOPY?
RENOWNED STOMACH CANCER SPECIALIST PROFESSOR CHOI DAEWON
PROFESSOR CHOI DAEWON...!!
IN MY PREVIOUS LIFE... I RECEIVED MANY LECTURES IN DAEIL HOSPITAL.

HE WAS QUITE SCARY, BUT HE WAS ALSO YOUNG ONCE.
WHAT A STRANGE FEELING.
YES, HERE IS THE CD CONTAINING THE PICTURES OF THE GASTROSCOPY AND HIS MEDICAL HISTORY.
AND THE STUDENT HERE IS THE SON?
YES, DOCTOR. I AM THE GUARDIAN.
GUARDIAN? HM...
THIS... IS...
HOW IS IT DOCTOR?
BY CLOSELY INSPECTING THESE PICTURES,
IT IS INDEED STOMACH CANCER.
AS I THOUGHT!
W-WHAT SHOULD WE DO, DOCTOR?
IS HE GOING TO D-DIE?
THERE IS NO NEED TO WORRY. IT IS CURABLE.
LEVIATANSCANS.COM
R-REALLY?
STOMACH CANCER HAS AN EARLY AND TERMINAL STAGE.
THE TERMINAL STAGE WILL END IN DEATH...
BUT EARLY STAGE CANCER CAN BE COMPLETELY CURED.
YOUR HUSBAND'S CANCER IS IN AN EARLY STAGE AMONGST EARLY STAGES, AND AFTER THE TREATMENT, OVER 90% WILL BE CURED.

BUT THE TUMOR LOOKS EXTREMELY SMALL, SO THERE SHOULDN'T HAVE BEEN ANY SYMPTOMS... HOW DID YOU COME TO RECEIVE THIS GASTROSCOPY?
OUR SON HERE WAS WORRIED AND FORCED HIM TO DO ONE.
OTHERWISE, CONSIDE-RING HIS PERSONALITY, HE WOULD HAVE NEVER GOTTEN ONE.
YOUR SON SAVED YOUR LIFE.
WHAT DO YOU MEAN?
IT IS POSSIBLE TO TREAT IT COMPLETELY, BECAUSE WE FOUND IT.
IF YOU NEVER DID ANY GASTROSCOPY...
WITHIN 1, AT MAX 2 YEARS, TUMOR CELLS WOULD HAVE GROWN TO THE POINT OF NO RETURN.
YOUR SON'S CONSIDERATION OF YOUR HEALTH SAVED HIS FATHER.
AND THIS KIND OF STOMACH CANCER CAN BE EASILY MISSED,
I BELIEVE THE DOCTOR WHO WAS IN CHARGE OF THE GASTROSCOPY WAS RATHER SKILLED.
NO, IT WASN'T DONE BY THE DOCTOR, BUT WAS FOUND BY MY SON.
PARDON? WHAT DO YOU MEAN?
IN THE HOSPITAL, THE DOCTOR SIMPLY SAID IT WAS AN IN-FLAMMATION...
BUT THIS BOY WENT BACK TO THE HOSPITAL TO SEE THE PICTURES AND FOUND OUT IT WAS CANCER.
MOM...
HOW COULD HE DO SOMETHING MOST DOCTORS WOULD...
HMMM~ I SEE.
SHE SURE LOVES TO BRAG ABOUT HER SON.

...FROM WHAT I HAVE RESEARCHED...
BY USING AN ENDOSCOPE TO PERFORM THE TREATMENT, THERE IS NO NEED TO CUT THE STOMACH,
AND WOULDN'T HAVE AS MUCH SIDE EFFECTS. I BELIEVE THE SURGERY RESULT WOULD BE ALMOST AS GOOD AS THE SURGERY INVOLVING CUTTING THE MAJORITY OF THE STOMACH.
THAT IS TRUE.
HOWEVER, USING AN ENDOSCOPE ONLY WORKS WHEN THE TUMOR IS LOCATED IN SHALLOW AREAS.
IN THE CASE OF YOUR FATHER'S GASTROSCOPY PICTURE, THE TUMOR HAS SPREAD TO THE STOMACH WRINKLES, WHICH MEANS A HIGH PROBABILITY OF TUMOR CELLS HAVING PENETRATED FURTHER INTO THE MEMBRANE.
...HE WOULDN'T HAVE UNDERSTOOD ANY OF IT, SO WHY AM I SAYING ALL THIS.
THE WRINKLES THEMSELVES ARE RATHER SHALLOW AND THE TUMOR IS STILL VERY SMALL...
THUS, I BELIEVE THE TUMOR DID NOT HAVE A CHANCE TO PENETRATE FURTHER INTO THE MEMBRANE. HOW ABOUT WE CHECK THE DEPTH USING THE ULTRASOUND OF AN ENDOSCOPE AND ATTEMPT THE TREATMENT?
IF IT HAS PENETRATED TOO DEEP, WE CAN ATTEMPT THE FULL REMOVAL AFTERWARDS.

...?!!
W-WAIT... HOW DOES A STUDENT HAVE SUCH SPECIALIZED KNOWLEDGE?

LEVIATANSCANS.COM

...YOUR FATHER WILL BE OKAY, RIGHT?
OF COURSE, DON'T WORRY.
IT'S ALREADY BEEN 2 HOURS...
THE SUCCESS RATE IS HIGH, BUT SINCE IT'S FATHER, I AM STILL UNEASY...
PROFESSOR CHOI, WHAT ABOUT JINHYUN'S FATHER? DID IT GO WELL?
WE WERE SUCCESSFUL. YOU DON'T NEED TO WORRY AT ALL.
THANK YOU, DOCTOR. THANK YOU SO MUCH!
AND, YOU...
MM... NEVERMIND.
NO, IT'S NOTHING.
......?!
FATHER'S RECOVERY WENT WELL AND HE DIDN'T ENCOUNTER ANY PROBLEMS.
ARE YOU ALRIGHT, FATHER? ARE YOU UNCOMFORTABLE ANYWHERE?

I AM FINE. SINCE I AM ALMOST RECOVERED, YOU SHOULD STOP COMING TO THE HOSPITAL AS WELL.
EH... NO, FATHER.
EVEN THOUGH IT WAS BETTER THAN CUTTING YOUR STOMACH OUT, YOU STILL NEED TO TAKE CARE OF YOUR BODY UNTIL YOU MAKE A FULL RECOVERY.
AND SINCE I CAN STUDY HERE AS WELL, YOU DON'T HAVE TO WORRY ABOUT ME AT ALL.
헤헷!
절레 절레
KID IS STUBBORN~ TAKES AFTER ME, ALRIGHT.
야
타박 타박
DO YOU HAVE ANY STOMACH PAIN?
AH, PROFESSOR CHOI! I AM FINE.
THE FINAL ULTRASOUND CAME OUT COMPLETELY CLEAN, SO AS LONG AS YOU RECEIVE THE ROUTINE CHECK UPS, YOU SHOULD BE ABLE TO RECOVER FULLY WITHOUT A HITCH.
AND YOU...
......
YOUR IDEA FOR THE TREATMENT, WAS THAT REALLY SOMETHING YOU STUDIED FROM A BOOK?
UH, UH... HM...
YES... THAT'S RIGHT.
IS HE A GENIUS WHO SURPASSED HIS AGE?
THAT'S THE ONLY ANSWER I CAN THINK OF.
HM~... ARE YOU STUDYING? AH, I DO REMEMBER HEARING YOU WERE TOP OF THE CLASS.
깜짝!
WHICH UNIVERSITY ARE YOU AIMING FOR?
T-THAT... I AM THINKING OF THE UNIVERSITY OF KOREA.
LEVIATANSCANS.COM

HO~~~ THAT SUITS YOU. WHAT ABOUT YOUR MAJOR?
...I AM CONSIDERING MAJORING IN A MEDICAL FIELD.
...IS THAT SO?
IF THAT'S THE CASE, YOU MUST COME TO THE MEDICAL SCHOOL OF THE UNIVERSITY OF KOREA,
AND BECOME MY STUDENT.
...PARDON?!
Haha
WHY? IS IT TOO MUCH?
that could be the case
N-NO. NOT THAT IT'S TOO MUCH, IT'S JUST TOO SUDDEN...
I BELIEVE YOU COULD BECOME AN OUTSTANDING DOCTOR, WHO CAN SAVE OTHER'S LIVES.
WHEN YOU GET ADMITTED TO THE MEDICAL SCHOOL OF THE UNIVERSITY OF KOREA, COME AND FIND ME RIGHT AWAY.
BECOME YOUR STUDENT?
A 'STUDENT' OF PROFESSOR CHOI DAEWON ISN'T JUST IN A SIMPLE TEACHER TO STUDENT RELATIONSHIP,
BUT HE WILL BE PERSONALLY EDUCATED IN THE SAME SPECIALIZED FIELD BY HIM...
HE SEEMS TO BE A GREAT PROFESSOR, BUT DO YOU NOT LIKE IT?
YOUR FATHER THINKS YOU BECOMING A DOCTOR SAVING PEOPLE'S LIVES, JUST LIKE PROFESSOR CHOI, RATHER SUITS YOU...
THAT'S GOOD TOO, BUT I HAVE ANOTHER MAJOR IN MY MIND.
AH, IS THAT SO? WHAT MAJOR IS IT?
DOCTORS! HELP ME QUICKLY. WE HAVE A PROBLEM WITH A CRITICAL PATIENT!
YES! I WILL BE THERE!!
